

MAKE AN IMPACT FOUNDATION PARTNERS WITH KOOKS HEADERS & EXHAUST TO IMPACT THE LIVES OF CHILDREN IN THE LAKE NORMAN AREA

For Immediate Release

Monday, February 11, 2019

Lake Norman, NC - The Make An Impact Foundation is excited to announce its recent partnership with Kooks Headers & Exhaust with our My Corporate Impact Fund. Kooks goal is to strive for excellence and manufacture the highest quality performing products in the industry with the latest technology and materials available. They deliver a designed, engineered and manufactured component of over fifty years of dedication and passion into the craftsmanship of what they do, and remember why every Kooks Headers & Exhaust product manufactured is not just a set of headers.

Having Kooks Headers & Exhaust partner with the Make An Impact Foundation allows them to make a positive impact through volunteering and sponsoring community-oriented projects for charitable organizations, churches and schools. The foundation appreciates their willingness to impact lives through the work we will do together.

“It is with great enthusiasm that we (Kooks) enter into this partnership with MAIF. We are excited for the opportunities to really reach into our community and offer care and support to those in need.” – George Kook, Jr.

The mission of Make An Impact Foundation is to promote the education and well-being of children. We identify children in severe need (homeless, poverty, etc.) as well as those with learning needs, emotional needs, disabilities or disease, and create opportunities to produce change in their lives. Our vision at MAIF is to meet the needs of children by identifying worthwhile projects, empowering project champions, and finding donor partners to help meet each need.

If you would like more information on Kooks Headers & Exhaust Corporate Impact please contact Tina@makeanimpactnow.org

Those interested in being involved in this project or becoming a donor or sponsor should visit <https://www.makeanimpactnow.org/corporate/kooks-headers-and-exhaust> or call Tina Muschket, Impact Manager at the Make An Impact Foundation at (980)579-7426.
